

Kids Rock!

A NOTE FROM OUR KIDS ROCK TEAM:

Despite it being cold and miserable, it is still fun at school. Decorations are starting to appear around the school which has helped us feel a bit more christmassy. We may all be feeling a bit tired but we are enjoying being with our friends and learning new things.

*Hello from the
other side (of
the school)*

This week we discovered a new way to promote reading across the school and rehearse new stories. Via Teams, Oaks and Willows were able to say hello to each other before members of Oaks class read stories to Willows. It was lovely to see Willows sitting so beautifully and listening so carefully. Oaks did a fantastic job of reading in a clear voice and not forgetting to show Willows the illustrations too.

Water cycle in the bag!

Silver Birches made water cycles in a bag, learning about condensation, precipitation and evaporation. We just need some sun to help the evaporation stage now!

CONGRATULATIONS!

Gold Book Awards

We would like to say well done to the following children for achieving a gold book certificate this week:

Beau (Willows), Shaurya (Rowans), Joseph M (Silver Birches) and Carrie (Oaks)

Citizenship Award

We would like to say well done to the following children for achieving a Citizenship award this week.

Isabelle (Rowans), Millie (Silver Birches) and Teah (Oaks)

Pupils who have been awarded a certificate will bring home a laminated copy of their certificate on Tuesday

A NOTE FROM THE STAFF:

We are so impressed with how much effort you are putting into your learning. You are doing amazingly well and should be very proud of yourselves.

We miss being able to speak to you all but it's lovely when we are able to give you a wave at playtime and talk to you from a distance! We are very much looking forward to the day when we can all mix again, it will be a very special day!

Through the website and Google Classroom we can see all the wonderful work you've been doing around the school inside and outside of the classrooms - you've all been very busy! Keep up the good work!

Christmas is fast approaching and although the usual Christmas festivities can't happen this year we will still be doing some really fun and exciting activities in our bubbles! So, let's all look forward to a fun filled last few weeks before the end of term and bring some festive sparkle to SPW!

Best wishes from all the staff

*Have you spotted
your work in this
weeks edition?*

Did you know if your work is featured in Kids Rock, you can collect a gold card from your class teacher?

We look for good examples of learning both inside and outside of school, meaning you can achieve a gold card through class work and homework!

Well done to those pupils who have appeared in this weeks newsletter.
