

## **Kids Rock!**

This week everything has gone back to normal because the year 6 SATS are finished! Hooray!

Lots of the year 6 pupils enjoyed the experience of SATS but are glad it's all over now.

All of KS2 are starting to practice the summer play a lot more. In just over a week, it is half term and lots of us are looking forward to the village day and jubilee celebrations. The village day fate is always lots of fun.

- Charlotte, Year 5

THE MYSTERY OF THE MISSING MEDALLION! By the Sheridan Playwrights

Pupils in Oaks class have enjoyed reading to each other this week. Sharing books and discussing what books and authors they would recommend.

Congratulations to Sophie and Charlotte, our first pupils to have completed their Reading Gems bookmark. A golden ticket is on its way to you!

This week the Silver Birches took part in an attempt to break a world record! They joined other schools to take part in a livestreamed Number Crunching Session with Times Tables Rock Stars.

Amazingly, the event smashed the previous record of 1000 by streaming to 5000 devices! All the children enjoyed taking part in this exciting event and we even received a special message from the Education Secretary, Nadhim Zahawi!

Uplevelling

This week, the Rowans have been working incredibly hard to uplevel their work, using grammar and punctuation accurately in English.

## Wheelie good tun in Willows

As we have been looking at buses and other forms of transport recently, we made our own vehicles. We stuck on some wheels but found it a bit disappointing that they didn't turn around. We were then shown how to use special materials (straws and sticks!) to create an axle which means that the wheels can turn around when the vehicle is pushed. We used blue tack to fix the wheels onto the rod, but when we played with them, they kept falling off.

Mrs Foster then showed us how to use a glue gun to fix these together. The glue gun is hot and we had to be very careful when using it so that we didn't catch our fingers. Mrs Foster was very proud of how carefully we worked. We then put our vehicles to the test and had a race outside. It was very good fun!

Nell done Willows!

Mrs Foster held a lovely assembly this week on the Queen's 70th Jubilee and what it is all about. We had lots of fun recreating the Union Jack and sharing our ideas with each other.

Well done to Whiwell AFC who won their cup final matches last Saturday.

A massive congratulations to Billy, Harry J, Finley J, Callem, Harry C, Sami, Lachlan, Harry P, Finn, and everyone else who played.

Have something you want to share? Send your pictures or achievements to admin@stpaulswalden.herts.sch.uk to be included in the next edition of Kids Rock!
