

Kids Rock!

Don't forget this Saturday is the school Christmas fair. There will be endless fun and prizes to win and a cafe selling delicious food! Santa will also be making an appearance in his very own grotto.

-Billy, Year 5

There will also be an amazing bake off challenge! Children and parents alike can create marvelous bakes to enter the competition. There will be plenty of activities for you to do so come along and join the fun!

-Abigail Year 5

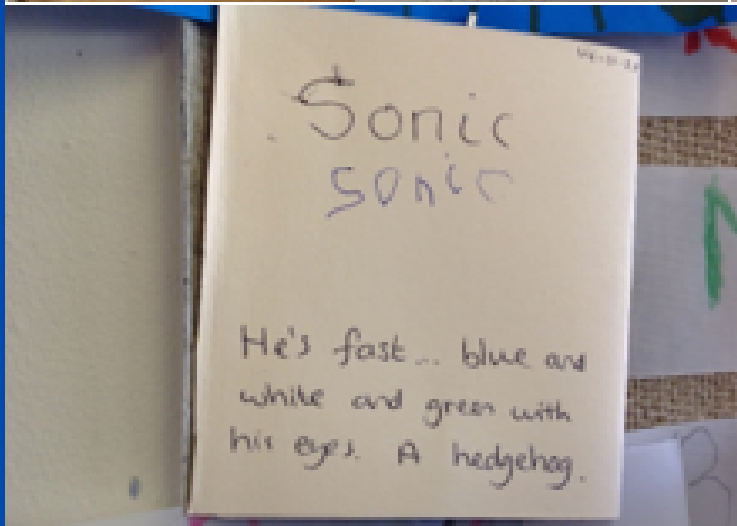

Early Readers and Writers

In Willows class, we have daily phonics lessons where we learn about all the letters and the sounds they make. We have already learnt so many that we can now read some words by ourselves and can also work out the sounds needed in a word so that we can write them down.

This is not the only writing we do, though. We are lucky enough to be able to explore the classroom and outside areas and choose to do our own mark making and writing as we play. Doing other activities such as cutting with scissors, using play-dough, threading string, drawing, painting, using spray bottles and pipettes, punching holes in paper, using tweezers and picking up small objects... all of these activities develop our hand strength which helps us to become writers when we are ready. We are very proud of what we have already achieved and will work (and play) hard so that we get better and better with writing.

Christmas is Coming!

Oaks class have begun the festivities already in preparation for the Christmas fair. Enrichment afternoon this half term consisted of making decorations using paints, pens and glitter!

Rowans also enjoyed their afternoon; they had a fantastic time created their Winter decorations to go up in the school hall. They made snowmen, snowflakes and stars.
