

# ST PAUL'S WALDEN NEWS

THE LATEST NEWS AND UPDATES FROM ST PAUL'S WALDEN PRIMARY SCHOOL

## A MESSAGE FROM MRS ADSHEAD

I would like to say a big thank you to everyone who attended our sports day event. We hope that you enjoyed it as much as I know the staff and pupils did.

Now that the weather has dramatically improved, I would like to remind everyone to send their children in with a sunhat, water bottle and sun cream. Please ensure that all items are clearly labelled and that the pupils are able to apply the sun cream themselves. If they are not able to do this then please contact the school office and they will give you a form to sign.

We have several trips next half term and I would like to remind everyone to pay for these via Arbor, if you need support with paying for these trips please do contact us and we will support you with this.

If you have not downloaded the Arbor Parent App please see 'more information' on the next page. Should you require further help please contact the school office.

We hope that you all have a good half term break, please don't forget that Monday 5th June is an inset day.

Thank you for your continued support.

# We're using Arbor's free Parent Portal and Arbor App

## We've chosen Arbor to help us manage our school.

Arbor is a simple, smart and cloud-based MIS (Management Information System), which helps us work faster, smarter and more collaboratively as a school. The Arbor App and Parent Portal mean we can keep you informed about your child's life at school in a much more accessible way. Log into Arbor to see and update your child's information, get live updates and make payments or bookings on the go!

The Parent Portal works on Google Chrome (computer or laptop) and you can download the Arbor App from the App Store or Google Play Store on your phone (Android 5.0; iOS 10.0 and upwards).

## How to get started

1. Wait for your welcome email from us telling you Arbor is ready - you won't be able to log in before
2. Click the link in your welcome email to set up your password
3. Go to the App or Google Play Store on your phone and search 'Arbor'
4. Click 'Install' on Android or 'Get' on iPhone then open the App
5. Enter your email, select the school, then enter your password
6. Accept the Terms & Conditions and enter your child's birthday

## Need help using Arbor?

**Contact the school office if you have questions about Arbor, the App or Parent Portal.** Tell us the type and model of your phone, e.g. an iPhone SE, and include screenshots or screen recordings.

To safeguard student data in line with General Data Protection Regulations (GDPR), Arbor only works directly with schools.

### Some tips to try:

1. Ensure your username is the email address you use for Arbor. Ask us to **check the email address** linked to your account.
2. **Reset your password** from the login page, or ask us to do this.
3. If the login email was sent to you more than 96 hours ago, the **password link will have expired**. Ask us to send it again.
4. Ask the school office to check that your email address has not been used twice - e.g. on another guardian or child's profile.
5. **Enter the birthday** of one of your children to log in.
6. Only relatives who are **Primary Guardians** of a child can access the Arbor App. Ask us to check you can access Arbor.
